The site includes active an archeological dig. The **Valley of Elah** is the place where David met the giant, Goliath, in battle. We will have dinner together before being transported to the airport.

Please note that every attempt will be made to accommodate all the sites named in this itinerary, however, there may be adjustments, changes, and deletions depending upon many different circumstances.

Our tour is different than most, as the spiritual aspects of the journey are the most important – “capturing the moment.” It is also participatory, as there are times for sharing and reflecting on a special touch or moment you personally learned from an event or experience.

Prayer is paramount to the experience and lives are changed during this trip. The Bible comes alive and can be seen in 3-D.

A Hebrew guide is used to help explain the site, but the spiritual touchstones are the most important part of our Holy Land tours.

Reserve your space as soon as possible including application and non-refundable deposit. Please consider travel insurance since all your funds will be used to reserve and pay for the Tour. There are 20 seats reserved Chicago to Tel Aviv roundtrip, but you are welcome to make your own flight arrangements. When making flight arrangements remember you are responsible to communicate your arrangements to meet up with the Tour.

Keep in mind the Tour price includes breakfast and dinner. Lunch is at your own expense.
